Subject: Re: March \ April RASO News & Update

Although I'm a far piece from Rockford, I joined RASO last Feb at the Austin Gomez clinic...two of the smartest moves I've made lately in the soccer world!

The web communications are great...wish I knew some of the fellows your way...you must be outstanding referees who enjoy the game.

Anyway...how do I re-enlist, as it were? Tell me how much, when and where...I'm happy to sign up.

Thanks,
Joe Bean
