### Educational – IHSA Rules Meeting by Ron Scott

- This year please remember that all players must have shin guards that are at least two inches above the ankles. Shin guards must apply adequate protection for the player. Also, the coach may be cautioned or disqualified for either team misconduct or for bench misconduct that cannot be attributed to a specific individual. Referees again will be instructed to use the referee foul signals in IHSA games. Black is the primary jersey, alternate is anything else as long as entire referee team is the same. Referees must cover up the USSF logo if you're wearing an Official Sports jersey.

**Treasurer Report–** \$4,800 in the account after picnic expenses.

**Secretary Report–** I would like to apologize to Jeff Clausen for misspelling his last name on the August newsletter. Hopefully, on this newsletter I will not misspell anyone's name.

**Vice-President Report-** RASO is working with Sportscore to create a free banner. This banner will be displayed with all the club teams' logos on the ISC building. Also, RASO will possibly buy a sign—with the RASO logo on it—to be displayed at Sportscore during the non-winter months and in ISC during the indoor season.

**President Report-** The RASO top 15 list has been completed and will be submitted.

**Assignor Report-** Please be aware Jefferson, Guilford, East, and Auburn do not have a freshman team. Also, Jefferson does not have a JV team. East does not have a Varsity team.
