USSF

IYSA Soccerfest coming up on March 18. If you are interested in attending, let a board member know. As many members attending as possible brings back solid information for the organization.

IHSA Girls Soccer Assignments.

Carlyn Brandt has the NIC 9 dates and will start working on assignments as done in the past. Usually phone calls to officials work the best. Does she know your availability?

Ron Scott has posted open games via the internet. Call him if email not an option.

USSF Referee entry/refresher Clinics:

The first clinic found 22 entry referees and 24 refresher referees in attendance. A problem occurred with the facility, but the Park District came through with its S. Main St. location and it turned out very well. Sack lunch works better than going out but there is food within a two block walk.

Remember to register online with the IYSA for the future clinics

Upcoming clinics:

- February 18-19- entry level clinic
- February 19 for refreshers
- Sun March 12, 9:00am Fitness Test
- Sun March 12, 11am – 4pm Refresher (only)
- Sat April 1, 9:00am Fitness Test
- Sat April 1, 11am – 4pm Refresher (only)

Park District Assignments:

The parking passes are good until July. Next year is up in the air regarding referees paying for parking. Board will let membership know as things settle.

Discussion:

Everything seemed to be running fine, so no discussion.
