

August 1, 2000 RASO Meeting

Next meeting Tues Sept 5, 8:30 PM @ ISC

RASO Website address - <http://www.geocities.com/dabrandt22/RasoHome.html>

Attendance

- 31 RASO members, 2 non-RASO members, 2 coaches

Educational

- Ron Scott led an IHSA Fall 2000 rules interpretation clinic. This counts towards IHSA annual requirements. One extremely interesting point discussed was IHSA approval of the double-dual referee system...aka 3 referee / 3 whistle control system whereby SR's (Side Referee) also whistle fouls and patrol on the field of play. See pages 86 – 92 in the 2000 / 01 NFSHA Rules book for more information. Interested in a new challenge, give it a try, but make sure the 3 referees understand expectations of each other. IHSA is neither pushing the 3 whistle system or discouraging it. It's left up to the referee team to decide.

June - July Minutes

- Approved

Treasurer Report

- \$2,467.00 RASO balance.

Secretary Report

- RASO website constantly being updated, address listed above, use for your benefit.
- Informal member survey taken showed that RASO members with internet / e-mail are willing to receive notice of monthly newsletter website posting through e-mail, in lieu of a regular mailing. This was approved at the Aug 13 Executive Board meeting. There will still be 2 regular mass mailings in the spring to encourage membership / dues payment. New system will be implemented in September. If you prefer to continue receiving costly snail mail, simply e-mail your friendly secretary of your wishes.
